What myGov offers - 3

You can also explore information about government services and payments.

This information is organised around major events in life, such as studying, looking for work and having a baby.

You can use myGov on your computer or mobile device.

Download the myGov app for a secure and convenient way to access myGov.

Create a myGov account today at **my.gov.au**

For help with myGov:

- go to **my.gov.au/help**
- call the myGov helpdesk on **132 307** and select option 1
- watch videos at **youtube.com/mygovau**
- follow on X (formally Twitter) **@myGovau**

Find government payments and services

Raising kids

Help when having a baby, as kids go through school and when parents separate.

Living arrangements

Information to help with housing, natural disasters, family and domestic violence, online crime and travelling to and from Australia.

Ageing

Help when retiring, getting older and accessing aged care services.

Ageing

Help when retiring, getting older and accessing aged care services.

Retirement

If you're thinking about retirement, or have already retired, there are many resources that can help.

Health and safety as you get older

Information about health and safety for older Australians.

Accessing aged care services

If you need help at home or if you're looking into aged care homes, there are services available.

Planning for end of life

Find information and a checklist to help you with end of life planning, such as creating a will and end of life support.
